

ATTAINING THE IACMM

International Academy Certification in Myopia Management Protocol and Policies

1. Skills Required to attain an FIAOMC

In depth knowledge of the following areas:

- Factors for predicting risk of increasing myopia
- Pathology associated with high myopia
- Axial length
- OrthoK
- Soft Myopia Control Lenses
- Atropine
- Binocular vision and myopia control
- Misc. (Choroid, Pupil size, corneal hysteresis and MM)
- Spectacle lens options
- Combination Interventions to manage myopia

2. Mandatory Prerequisites

- Must have been an IAOMC member for the last year
- Must take your testing within your section unless granted an exception.
- Must have attended one IAOMC section meeting within last 3 years (Covid exception)
- IAOMC Bootcamp or another MM seminar highly recommended
- Must own, use or have access to a biometer and topographer

If you meet the above mandatory prerequisites, submit your application to your section fellowship chair.

Section	Chair	email
AAOMC	Caroline Cauchi, OD and Jonathan Skoner, OD, FIAOMC	fellowship@aaomc.org
EuroK	Jaume Pauné, OD, FIAOMC, PhD and Juan Bolívar, OD, FIAOMC	jaumepaune@gmail.com
OSO	Shonit Jagmohan, OD, FIAOMC	shonit@oso.net.au
IAOA-Asia	Michelle Xiao Yang, MD, FIAOMC	1394392659@qq.com
BipOK	Nitesh Barot, OD, FIAOMC	niteshbarot@me.com
AOC-AOMC	Oliver Woo, OD, FIAOMC	oliwoo88@gmail.com
ALOCM	Jaume Pauné, OD, FIAOMC, PhD and Juan Bolívar, OD, FIAOMC	jaumepaune@gmail.com

The section fellowship chair will review your application and if selected, will phone you for an interview and brief oral test.

**If you are selected to as one of this year's IACMM candidates, then you will proceed.
Welcome to the Journey form provided**

3. TESTING

WRITTEN EXAM (*video description of the written test will be provided*)

- Multiple choice
- Study guides provided
- Candidate must pass with minimum score of 85% in order to progress to the Oral Panel Exam
 - If score is less than 85% – test must be repeated
 - Allowed one retest at no charge
 - If candidate fails a second time, must submit a new application and pay full fee again.
- Test may be taken at section meeting or at the office of an FIAOMC
- Academic members (those teaching full time at an accredited university) please see chair for alternate options.

4. RENEWAL

- Certificate renews at no charge annually provided membership is in good standing
- CE may be required for renewal – TBD

5. POLICIES

A. RE-EXAMINATION (Written and Oral Exam)

- allowed one retest at no charge
- if candidate fails a second time, must submit a new application and pay full fee again.

B. TESTING WINDOW:

- All testing must be completed within 2 years from the date of the initial written exam.
- If it is later than that date, the candidate must reapply and pay the new fee.

C. FEES

Application fee: Each section is responsible for determining the FIAO testing fee. The fee is paid directly to the section by whatever means they set up.

D. TEST TAKEN “OUT OF SECTION”

- If a candidate chooses to take the test (oral and written) out of section
- They must first obtain permission from their section’s fellowship chair
- The entire fee goes to the other section.
- The out-of-section chair is responsible for accepting and reviewing the application. In-section applications are given priority.
